Declaration of Intent for a Tuberculosis Examination

The Tuberculosis Declaration attachment specified in the Application Form has been eliminated. It has been replaced by the present Declaration of Intent for a Tuberculosis Examination and the Tuberculosis Examination Referral Form.

In order to obtain a residence permit, you (or the person whom you represent) must be prepared to undergo a tuberculosis examination and, if necessary, treatment for tuberculosis. If you submit this Declaration of Intent for a Tuberculosis Examination to the Immigration and Naturalisation Service (IND) together with your application (and if you also meet all other conditions), the IND will grant you a residence permit as soon as possible. You will be granted this permit on the specific condition that you actually undergo a tuberculosis examination within three months. Failure on your part - despite your signing of this Declaration of Intent - to undergo a tuberculosis examination within the three-month period following the issuance of a residence permit may result in cancellation of the granted permit. Submit the completed and signed Declaration of Intent together with your application before you make an appointment with the Municipal Health Service (GGD). By signing this declaration, you declare that you are prepared to undergo a tuberculosis examination and, if necessary, treatment for tuberculosis. You must bring the Tuberculosis Examination Referral Form, completed as much as possible (Section A), to the appointment with the GGD.

The examination requirement does not apply to citizens of the following countries: EU or EEA Member States, Australia, Canada, Israel, Japan, Monaco, New Zealand, Surinam, the United States of America, and Switzerland (including Liechtenstein). Also the examination requirement does not apply if you hold a valid residence permit for an EEA Member State, an EU Member State or Switzerland, or if you hold an EG residence permit for long-term residents issued by another EU Member State or if you are a family member of a long-term resident and you have already been admitted to another EU Member State as a family member of such long-term resident.

De pasfoto

Onder aan deze pagina moet u een nieuwe, nog niet eerder gebruikte pasfoto van uzelf plakken. Als de aanvraag bedoeld is voor uw kind, dan moet u een nieuwe, nog niet eerder gebruikte pasfoto van uw kind plakken. Uw pasfoto moet voldoen aan de Nederlandse paspoorteisen.

Laat daarom altijd een nieuwe pasfoto maken door een beroepsfotograaf die bekend is met de eisen die in Nederland aan pasfoto's worden gesteld. Als uw pasfoto niet aan de Nederlandse paspoorteisen voldoet, kan er geen verblijfsdocument aan u worden uitgereikt. Het is dus belangrijk dat u een goede pasfoto meestuurt.

The Passport Photo

Stick a new and unused passport photo on the designated frame at the bottom of this page. If the application is meant for your child, please use a new and unused passport photo of your child.

Your passport photo has to meet the Dutch passport requirements.

Always have your passport photo made by a professional photographer who is acquainted with the Dutch passport requirements. No residence document can be issued to you if your passport photo does not meet the Dutch passport requirements. It is therefore very important to supply a good passport photo with this form.

Hoe plakt u de foto op dit formulier?

- Trek het niet-plakkende vel papier los, begin bij de pijl;
- Leg uw foto recht op het grijze kader;
- Plak de foto en druk stevig aan;
- Zet uw handtekening in het vak linksonder. Doe dit met een pen met een donkere kleur inkt, het liefst zwarte inkt. Als uw handtekening niet duidelijk is, kan geen verblijfsdocument worden gemaakt.

How to append a photo to this form?

- Pull away the paper cover, start at the arrow;
- Place your photo straight on the grey area below;
- Tightly press the photo on the paper;
- Place your signature within the frame on the lower left side. Use a pen with dark, preferably black ink. If your signature is not clearly visible, a residence permit can not be created.
